

# A Quick Guide To CEIRP

## The Canadian Entertainment Industry Retirement Plan

**Who?** CEIRP is the savings and retirement plan for most IATSE Locals, DGC, Entertainment Partners Canada and Actsafe Safety Association.

**What?** CEIRP makes saving easy with several plan choices to help you reach your retirement savings goals, like: RRSP, NRSP, TFSA, RESP or RRIF.

**Where?** Across Canada, members are contributing to grow their savings for retirement and other financial plans.

**When?** Speak to your business agent about payroll contributions. You can also contribute through your online banking.

**Why?** Because no one should have to work past retirement age simply because they can't afford to retire.

**How?** For more information on how to register, contact your local/guild's administrator or CEIRP's National Plan Administrator Melinda Davis at 416-362-2665/1-866-621-2230 Visit us too at [www.ceirp.ca](http://www.ceirp.ca) and start making the most of your money!
